

ROCK-POOL RAMBLES

Timed for the lowest tides to reveal the mysteries of our rocky shores, some of the richest in the country.

We will find familiar animals and learn about their unusual behaviour, and seek out more secretive animals.

Numbers may be limited.

To secure a place & give contact details in case of bad weather call Jim Monroe

01271 882078 / 07889 134466

Participants are responsible for their own safety.

Dress according to the weather with footwear for rocks & sea.

We meet at the top of the beach.

Free event. **Under 16s to be accompanied.** Nets and buckets can be supplied & illustrated guides purchased. Donations to Coastwise welcome.
