

Lee Bay BioBlitz

2017

Join our 24-hour race to explore wildlife around Lee Bay!

COASTWISE
NORTH DEVON

10:30am Friday 22nd - 3pm Saturday 23rd September with activities day and night!

**FREE EVENT
ALL WELCOME!**

Activities will take place throughout, including: Microscopes, rock pooling, woodland walks, fish surveys, bat and moth detecting, plankton safaris and more!

Visit our website or Facebook page for a timetable

Meet for all activities at Base Camp. Either drop-in or contact us to sign up for the timetabled activities taking place.

Dress for the weather. For night activities especially wrap up warm, and bring a torch and high-vis vest if you have one.

Food and other refreshments will be available in the local village.

Volunteering: If you are able to offer your time or expertise to help out with the event, get in touch!

Is your home or business in the survey area? Why not do a Bioblitz on your own property? Contact us or check out our website to find out how.

How to Find us:

By Car: Lee Bay Memorial Hall, Lee, Illfracombe, North Devon, EX34 8LW. It takes about ten minutes to get there from Illfracombe, via Slade and Higher Slade road. Parking is available in local car parks but spaces are limited, so please car share when possible!

By Public Transport: The best way to get to Lee Bay via public transport is to get a train to Barnstaple station. Then catch the 301 bus from Barnstaple train station to Garage (Stop D), cross the road and get the number 35 bus to Lee Beach House. Finally, walk up the hill to base camp.

Don't forget your wellies!
